- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the RoA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges and other significant characteristics or features of the products we have recommended.

### **Fees**

All fees are payable to Elemental Wealth Management. Darren is the owner of Elemental Wealth Management and shares in the profits that are made.

### **General advice**

We may charge you a fee for any general advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with the general advice. The amount of these fees usually ranges from \$175 to \$1,100 but may exceed this range in complex cases. Details of the fee will be agreed with you beforehand. You may request information about these fees within a reasonable time after receiving this FSG but before you are provided with any general advice.

### **Personal advice**

We will charge you a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. The amount of these fees usually ranges from \$2,200 to \$6,600 but may exceed this range in complex cases. These fees will be agreed with you beforehand and will be disclosed in a SoA or RoA which will be provided to you.

### **Ongoing fees**

Our ongoing fees depend on the ongoing service that we provide to you. They are typically charged as an agreed fixed price of between \$2,200 and \$11,000 pa and are paid monthly in arrears. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

Any ongoing fees will be agreed with you in our service agreement.

### **Managed fund & Direct Share transaction fees**

We may charge a transaction fee of between \$50 and \$100 (plus GST) when you buy or sell interests in managed funds or direct shares. This fee will typically be charged directly in the month after the transaction. The services and fees will be disclosed to you before we implement the transaction.

### **Insurance commissions**

We receive a one-off upfront commission when you take out an insurance policy we recommend. The upfront commission will be between 60% and 0% of the first year's annual premium.

We also receive an ongoing commission payment of between 25% and 0% of the annual premium for as long as you continue to hold the policy.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays us an upfront commission of 60%, we will receive \$1,200. The issuer will pay us 10% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of \$2,000, this equates to \$200 per year.

You will be advised of the exact amount of these commissions in the SoA or RoA.

We may also receive additional benefits by way of sponsorship of education seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.
